Edited by **Tanja Börzel**, Free University of Berlin, **Michelle Cini**, University of Bristol and **Roger Scully**, University of Aberystwyth, on behalf of UACES

The primary objective of the **Contemporary European Studies Series** is to provide a research outlet for scholars of European Studies from all disciplines. Although essentially a Politics/IR series, the Series Editors are keen to encourage books that are interdisciplinary, adopting perspectives and approaches that bring together political science and cognate disciplines. If you are interested in submitting a proposal for the series, please visit the UACES website at: [www.uaces.org](http://www.uaces.org)
