

UACES 48th Annual Conference

University of Bath, UK, 2-5 September 2018

Exhibition Opportunities

The UACES 2018 publishers' exhibition will run from 3-5th September 2018. The conference is attended by over **400 experts on Europe** each year. The exhibition space will be centrally located in the Chancellors' Building, in the same space as the coffee breaks and lunch, and close to the registration and UACES information desks. This will ensure that all exhibitors enjoy a high level of interaction with delegates and are able to maximise promotional opportunities.

UACES is the academic association for contemporary European Studies. It is an active, international network of scholars with over 1100 members. Our annual conference provides a forum for members and non-members to meet and exchange ideas on European issues. Delegates come from all over the world and cover a range of disciplines: Politics, International Relations, Law, Economics, Geography, History, Sociology and Public Policy.
